

Adam C. Snyder, Ph.D.

Visual Neuroscience Laboratory
University of Pittsburgh
203 Lothrop St, Room 914
Pittsburgh, PA 15213

Phone: 412.864.2478
Fax: 412.647.5880
Email: adam@adamcsnyder.com
Web: <http://www.adamcsnyder.com>

Place of Birth: Albany, NY, USA
Nationality: USA

Education

The City University of New York (2007–2011)

Ph.D. in Cognitive Neuroscience

Advisor: John J. Foxe, Ph.D.

Thesis: The Countervailing Forces of Selection and Binding in Vision

Thesis Committee: Steven A. Hillyard, Steven Yantis, Jonathan B. Levitt, Simon P. Kelly, Sophie Molholm, and John J. Foxe (advisor).

New York University (2002–2006)

B.A. in Language and Mind, *magna cum laude*

Academic Positions

Postdoctoral Fellow (2015–present)

Advisor: Byron M. Yu, Ph.D.; Carnegie Mellon University, Pittsburgh, PA

Postdoctoral Fellow (2012–present)

Advisor: Matthew A. Smith, Ph.D.; University of Pittsburgh, Pittsburgh, PA

Postdoctoral Fellow (2011–2012)

Advisor: Sophie Molholm, Ph.D.; Albert Einstein College of Medicine, Pittsburgh, PA

Honors and Awards

Ripple Promising Investigator Research Award (2015)

Center for the Neural Basis of Cognition Outstanding Paper Award (2015)

NIH Pathway to Independence (K99) Award (2015–)

Neural Coding, Computation and Dynamics (NCCD) Travel Award (2015)

COSYNE Travel Award (2014)

NIH NRSA Individual Postdoctoral (F32) Fellowship (2014–2015)

SfN Postdoctoral Fellow Travel Award (2013)

NIH NRSA Institutional Postdoctoral (T32) Fellowship (2012–2013)

NIH National Graduate Student Conference Travel Fellowship (2011)

NIH NRSA Individual Predoctoral (F31) Fellowship (2010–2011)

CUNY Science Research Fellowship (2007–2011)

NYU Presidential Honors Scholarship (2002–2006)

Professional Societies and Service

Society for Neuroscience, 2008–present

Cognitive Neuroscience Society, 2010–2011

Ad hoc reviewer: *Current Biology*, *Cerebral Cortex*, *Journal of Neurophysiology*, *Journal of Cognitive Neuroscience*, *Brain*, *European Journal of Neuroscience*, *Brain Topography*, *International Journal of Psychophysiology*, *Frontiers in Neuroscience*, *PLoS ONE*

Teaching Experience

Lecturer, University of Pittsburgh. Bioengineering 1586: Quantitative Systems Neuroscience. 2015-2016.

Pitt-CIRTL Certification in Teaching the STEM Disciplines. Associate level. 2015.

Mentor. University of Pittsburgh Department of Bioengineering Undergraduate Research Training. 2013–2016.

Mentor. Carnegie Mellon University and University of Pittsburgh Undergraduate Training Program in Computational Neuroscience. 2013–2015.

Lecturer. Cognitive Neurophysiology Laboratory Summer Seminar Series, Albert Einstein College of Medicine. 2010–2011.

Mentor. Cognitive Neurophysiology Laboratory Summer Internship Program, Albert Einstein College of Medicine. 2010–2011.

Invited Talks and Workshops

University of Rochester Medical Center Dept. of Neurobiology and Anatomy colloquium, January 2016.

University of Hawaii Manoa Dept. of Psychology colloquium, November 2015.

Center for the Neural Basis of Cognition (Univ. of Pittsburgh and Carnegie-Mellon Univ.) colloquium, August 2011.

University of Hawaii Manoa Dept. of Psychology colloquium, November 2010.

NIMH workshop, “Using electrophysiological methods to understand neural mechanisms of, and treatment effects in, mental illness in children and adolescents,” September 2009.

Other Professional Activities

Organization of University of Pittsburgh Postdoctoral Training Program in Neurobiology annual retreat, 2013.

Scientific consultant, National Geographic, 2010.

Organizational and administrative assistance for the 10th annual meeting of the International Multisensory Research Forum (IMRF), 2009.

Internship at the NIH with Michael J. Iadarola, Ph.D., 2000.

Community Outreach

Volunteer. University of Pittsburgh “Sciencepalooza” outreach fair for K-8th graders. 2014.

Consultant. “Technology and your health” program at University of Pittsburgh Science Outreach summer science camp. 2014.

Sponsor. Pittsburgh Public Schools Pittsburgh Science and Technology Academy (SciTech) Executive Experience. The SciTech Executive Experience is an intense field-based internship program for 12th grade students attending SciTech. 2013-2014.

Organization and participation for outreach initiatives for children with developmental disorders for Albert Einstein College of Medicine’s Children’s Evaluation and Rehabilitation Center. 2010-2011.
